SECTION 6: Eligibility Requirements for DSRA-BT Subsidy

Under Age 55 and Special Circumstances

1. You must select a medical plan in order to be eligible to receive the DSRA-BT subsidy (as outlined below).
2. If you are electing the SILVER, BRONZE, or COPPER medical plans, you must check the correct box if you want dental and vision coverage since these plans are not automatically bundled. If you are electing the GOLD medical plan, you will automatically be enrolled in vision and dental coverage.
3. "Family Coverage" is coverage including three (3) or more individuals.
4. All Pre-65 Medicare Disabled will be placed in the eligible Medicare plan. If they have a pre-65 non-Medicare spouse and they have been on Medicare for more than 24 months, the spouse qualifies for a DSRA-BT Special Circumstance subsidy. The spouse must fill out a separate enrollment form and also note at the top of the form they are requesting the Special Circumstance subsidy.
5. To be eligible for the DSRA-BT provided Special Circumstance Subsidy, you must be a Delphi Salaried retiree who retired on or before April 1, 2009. Enrollees age 55 through 64 that are receiving monthly pension benefit from PBGC are not eligible for monthly subsidy distributions. If you are under 55 or 55 to 64 and received your pension in a lump sum and thus are not receiving a PBGC pension you qualify for a Special Circumstance Subsidy.
6. **If the HCTC is not extended** then those who retired on or before April 1, 2009 and have medical coverage through the DSRA-BT qualify for a Special Circumstance subsidy. Only one subsidy per family unless there are two qualifying Delphi retirees in the household.
7. The effective date of coverage requested will be the first of the month following your signature date, unless a future effective date is listed. The exception to this is if you are enrolling through our annual open enrollment period. In this case, the effective date of your coverage will be 1/1/2021.

Eligibility Requirements for DSRA-BT Subsidy for Qualified Family Member (QFM)

1. You must select a medical plan in order to be eligible to receive the DSRA-BT subsidy (as outlined below).
2. All QFM's must complete the entire "Enrollee Information" section (section 2) and check the QFM checkbox to be considered for the subsidy. Write "Requesting DSRA-BT Subsidy" at the top of the enrollment form.
3. DSRA-BT will review and potentially modify subsidy amount each calendar year.
4. Subsidy is dependent on retiree's date of retirement, age, and QFM's age.
 1. Retiree must be a Delphi Salaried retiree and retired on or before to April 1, 2009.
 2. QFM must be under 65.
 3. Retiree must be 67 - 68 years of age. The subsidy ceases when the retiree reaches the age of 69.
 - 4.4 If HCTC is not extended, QFM is only eligible for a subsidy for 24 months once the retiree reaches age 65 and is under age 69.
5. QFM subsidy automatically ends when they turn 65 due to Medicare eligibility.
