VISION PLAN BENEFITS

Your eyes are your windows to wellness. Routine eye exams each year allow your eye doctor to detect symptoms of serious eye disease – such as cataracts, glaucoma, and macular degeneration – and health conditions – such as diabetes, cardiovascular disease, and high blood pressure. Caught early, many of these diseases are treatable. However, left undetected and untreated, these conditions can result in vision loss, a lower quality of life, and higher overall health care costs.

DSRA-BT offers vision benefits through Blue Cross Blue Shield of Michigan (BCBSM) Blue Vision. The vision plan offers you comprehensive coverage – including eye exams and materials – through VSP, the nation's largest vision care network, with 27,000 doctors and 41,000 locations.

Members will continue to have the choice to enroll in vision and/or dental which requires an application to be completed.

The table below provides an overview of the vision plan benefit. For specific details about the plan, please refer to the Benefits-at-a-Glance summary of benefits on the website at www.dsrabenefittrust.net. To find a VSP doctor, call 1(800)877-7195 or log on to the VSP website at www.vsp.com.

VOLUNTARY LIFE BENEFITS

Voluntary life benefits are offered through MetLife Insurance. If you are a Delphi salaried retiree and wish to elect voluntary term life insurance for the first time or make any modifications to your current election, you must complete the MetLife enrollment form and Statement of Health form. (NOTE: Delphi hourly Retirees are not eligible for this voluntary benefit.) Retiree coverage from $10,000 to $120,000 and spouse coverage from $10,000 to $50,000 is available in $10,000 increments. Retiree coverage, however, is required for spouse coverage to be available.

Current retiree members that have not elected life coverage within 90 days of retiring are no longer eligible to elect life insurance coverage.

MetLife replaced Guardian Life effective 01/01/2022. The premiums were reduced an average of 6.3%. The changes and added benefits to the Life Insurance program for DSRA participants effective 01/01/2022:

Upon death of the Retiree, a surviving Spouse has the option to remain in the DSRA Benefit Trust MetLife Insurance program until the age of 80, at which time they will have the option to move to a Whole Life Insurance plan or to discontinue coverage

- The Spouse will continue to use the age of the Retiree to determine their premium amount if the Spouse elects to continue their MetLife Insurance coverage.
- The Spouse must notify Benistar if they elect to continue coverage with the MetLife Insurance program following the death of the Retiree.
