This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten. If your group is self-funded, please see any other plan documents your group uses. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Preauthorization for Select Services - Services listed in this BAAG are covered when provided in accordance with Certificate requirements and, when required, are preauthorized or approved by BCBSM except in an emergency.

Note: A list of services that require approval **before** they are provided is available online at bcbsm.com/importantinfo. Select **Approving covered services**.

Pricing information for various procedures by in-network providers can be obtained by calling the customer service number listed on the back of your BCBSM ID card and providing the procedure code. Your provider can also provide this information upon request.

Preauthorization for Specialty Pharmaceuticals - BCBSM will pay for FDA-approved specialty pharmaceuticals that meet BCBSM's medical policy criteria for treatment of the condition. The prescribing physician must contact BCBSM to request preauthorization of the drugs. **If preauthorization is not sought, BCBSM will deny the claim and all charges will be the member's responsibility.**

Specialty pharmaceuticals are biotech drugs including high cost infused, injectable, oral and other drugs related to specialty disease categories or other categories. BCBSM determines which specific drugs are payable. This may include medications to treat asthma, rheumatoid arthritis, multiple sclerosis, and many other diseases as well as chemotherapy drugs used in the treatment of cancer, but excludes injectable insulin.

Blue Cross Blue Shield of Michigan is a nonprofit corporation and independent licensee of the Blue Cross and Blue Shield Association.

Services from a provider for which there is no Michigan PPO network and services from an out-of-network provider in a geographic area of Michigan deemed a "low access area" by BCBSM for that particular provider specialty are covered at the in-network benefit level. Cost-sharing may differ when you obtain covered services outside of Michigan. If you receive care from a nonparticipating provider, even when referred, you may be billed for the difference between our approved amount and the provider's charge.

We may make exceptions if a member requires more than a 30-day supply. BCBSM reserves the right to limit the quantity of select specialty drugs to no more than a 15-day supply for each fill. Custom Drug List	<p>A continually updated list of FDA-approved medications that represent each therapeutic class. The drugs on the list are chosen by the BCBSM Pharmacy and Therapeutics Committee for their effectiveness, safety, uniqueness and cost efficiency. The goal of the drug list is to provide members with the greatest therapeutic value at the lowest possible cost.</p> <ul style="list-style-type: none"> • Tier 1 (generic) - Tier 1 includes generic drugs made with the same active ingredients, available in the same strengths and dosage forms, and administered in the same way as equivalent brand-name drugs. They also require the lowest copay/coinsurance, making them the most cost-effective option for the treatment. • Tier 2 (preferred brand) - Tier 2 includes brand-name drugs from the Custom Drug List. Preferred brand name drugs are also safe and effective, but require a higher copay/coinsurance. • Tier 3 (nonpreferred brand) - Tier 3 contains brand-name drugs not included in Tier 2. These drugs may not have a proven record for safety or as high of a clinical value as Tier 1 or Tier 2 drugs. Members pay the highest copay/coinsurance for these drugs.

In select cases BCBSM may waive the initial copay/ coinsurance after your prescription has been rewritten. BCBSM will notify you if you are eligible for a waiver.</p>

Features of your prescription drug plan

Prescription drug preferred therapy	<p>A step-therapy approach that encourages physicians to prescribe generic, generic alternative or over-the-counter medications before prescribing a more expensive brand-name drug. It applies only to prescriptions being filled for the first time of a targeted medication.</p> <p>Before filling your initial prescription for select, high-cost, brand-name drugs, the pharmacy will contact your physician to suggest a generic alternative. A list of select brand-name drugs targeted for the preferred therapy program is available at bcbsm.com/pharmacy, along with the preferred medications.</p> <p>If our records indicate you have already tried the preferred medication(s), we will authorize the prescription. If we have no record of you trying the preferred medication(s), you may be liable for the entire cost of the brand-name drug unless you first try the preferred medication(s) or your physician obtains prior authorization from BCBSM. These provisions affect all targeted brand-name drugs, whether they are dispensed by a retail pharmacy or through a mail order provider.</p>
Quantity limits	To stay consistent with FDA approved labeling for drugs, some medications may have quantity limits.

If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Network access information

With Blue Dental PPO, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Blue Dental PPO network.

Blue Dental PPO network- Blue Dental members have unmatched access to PPO (in-network) dentists through the Blue Dental PPO network, which offers more than 535,000 dentist locations* nationwide. PPO dentists agree to accept our approved amount as full payment for covered services, and members pay only their applicable coinsurance and deductible amounts. Members also receive discounts on noncovered services when they use PPO dentists (in states where permitted by law). To find a PPO dentist near you, please visit mibluedentist.com or call **1-888-826-8152**.

**A dentist location is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two offices is two dentist locations.*

Blue Par SelectSM arrangement- Most non-PPO(out-of-network) dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a "per claim" basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services, and members pay only applicable coinsurance and deductibles. To find a dentist who may participate with BCBSM, please visit mibluedentist.com.

Note: Members who go to nonparticipating dentists are responsible for any difference between our approved amount and the dentist's charge.
