ARE TWO SEPARATE ORGANIZATIONS

There are many people who still think the DSRA and the DSRA-BT are the same organization. This is not TRUE!

The DSRA (Delphi Salaried Retirees Association) is the organization that is working hard to restore our pensions.

The DSRA-BT (DSRA Benefit Trust) is the organization that handles healthcare plans including medical, dental, and vision and also life insurance.

We just want to remind everyone that if you have any questions pertaining to healthcare or the HCTC (Health Care Tax Credit), please contact your DSRA-BT board not the DSRA. Our website is <http://www.dsrabenefittrust.net>
