DSRA Benefit Trust Election Update:

The election committee for the DSRA Benefit Trust is pleased to announce that we have one candidate that has submitted their name for a position on the Board of Directors of DSRA Benefit Trust. Lori Ostrander who is a current board member.

The DSRA-BT Election Procedure, section 4.8, states the following:

4.8 If, at the end of the nomination process for DSRA BT Board candidates, the number of candidates approved to be eligible to run for the DSRA Board does not exceed the number of open positions available for election, then the DSRA BT Board may declare that an actual election is not required. In this case, all approved candidates will be considered elected Board Members. The current Board will announce the names of the new Board members to the DSRA BT membership immediately.

In accordance with this procedure, the Board is declaring that an election is not required since we have one nominee and one open positions. Therefore, we are announcing that Lori is considered an elected Board Member. Lori will continue in her role as DSRA-BT Board Treasurer which is a three-year term.

We appreciate Lori volunteering for one more term.
